

HOW TO GET YOUR STUDENT ID

YAY! Now that you're a Saint Mary's University of Minnesota student, you'll need a student ID card before arriving to campus so you can access your residence hall, meal plan, and more.

In order to receive your student ID, you'll need to register online (link below) and have a photo of yourself ready to upload. This photo will remain on your card throughout your time at Saint Mary's.

Please follow our photo guidelines and make sure you are clean, neat and have groomed your hair. Photos will be denied if they don't fit criteria.

STEP 1

Grab a friend or a tripod and set them up at least one foot away from you.

STEP 2

Pick a location (inside is best) with good lighting and a solid, light-colored wall or backdrop.

STEP 3

Take a portrait photo (two inches below the shoulder and include all of your head...see right). Make sure the photo is clear.

STEP 4

Visit **smumn.edu/idreg** and log in with your Saint Mary's Gmail account information to get registered!

**FORMS MUST BE SUBMITTED
BY AUGUST 20.**

Questions? Contact the Office of Campus Safety at **507-457-1703**.
